

Ventilation Through the Ages - 2001

Time	September 10 th – Mainly Adult and general Principles	September 11 th Paediatric/Adult	September 12 th Paediatric/ Neonatal
	Registration	Breakfast with Hayek	Shao: Breakfast in Taiwan
9.15-9.45	Findlay: non-conventional Ventilation/adults	Giles: bronchoscopy in ICU (US)	Cheifetz; Why use respiratory mechanics monitoring? (US)
9.45-10.45	Peek:ECMO-A lung protective strategy at all times	Petros: Hot air; the alternative gases (helium, nitric)	Gentile-new modes and non-conventional approaches (US)
10.15-10.30	QUESTIONS TO THE PANEL		
10.30-11.00	COFFEE		
11.00-11.30	Thierbach: The difficult airway (Germany)	Bronchoscopy- Giles, Alan Smyth, Tann (WS)	Graphics/Mechanics CRI –Gentile/Hame/Main (WS)
11.30-12.00	Redmond- Delivering critical care in civil conflict and natural disasters	Convent vent: Gentile:Hamel (WS) heliox/nitric	New modes: Gentile/Hamel (WS)
12.00-12.30	Ross- Hyperbaric Ventilation	Non-invasive workshop: Williams Hill, Simmonds, Elliot (WS)	High frequency: Tom Leennhoven (Netherlands) (WS)
12.30-12.45	QUESTIONS TO PANEL		
12.45-14.00	LUNCH		
14.00-14.30	Hill: NIPPV in severe acute respiratory failure in ICU	Clutten-Brock: Invasive monitoring in severe respiratory failure	Sinha: Neonatal volume ventilation
14.30-15.00	Simmonds: Neuromuscular patients adult/paediatric-NIPPV	Greenough: The secrets of successful weaning	Stenson: Surfactants, RDS and beyond
15.00-15.30	Elliot: COAD-NIPPV	Gibson: Long term sequelae of neonatal lung disease	Auten: How to avoid ECMO safely and cheaply; brains not brawn (US)
15.30-15.45	QUESTIONS TO THE PANEL		
15.45-16.15	COFFEE		
16.15-16.45	Webster: Strategies for acute hypoxia	Shao: ventilation in enterovirus 17 infection (Taiwan)	Whyte: Anaesthesia for intubation in NICU; facts, fallacies, realities and practicalities
16.45-17.30	Pinsky: Use of heart-lung interaction to diagnose cardiovascular insufficiency at the bedside (US)	Rudo Mathiva: Out of Africa ;HIV infection in ICU (Taiwan)	Daga: Critical care with limited resources (India)
17.30-17.45	QUESTIONS TO THE PANEL		
	LORD MAYOR'S WINE RECEPTION	GALA DINNER	

Abbreviations
 WS- Workshop,
 NIPPV- Non-invasive Positive Pressure Ventilation
 COAD – Chronic obstructive airways disease
